

PUBLIC INFORMATION BULLETIN NO. 9
JUNE 2019
AWA STREET WASTEWATER PUMP STATION
FORCE MAIN AND SEWER SYSTEM IMPROVEMENTS
WAIAKAMILO ROAD TRUNK SEWER
JOB NO. W5-16

GENERAL INFORMATION

This bulletin is published to the project website (www.awasewer.org) monthly to keep the community informed about construction work associated with the Awa Street Wastewater Pump Station Force Main and Sewer Improvements – Waiakamilo Road Trunk Sewer Project. The contract Notice-To-Proceed was issued to FVCCC June 27, 2018. Heavy construction is scheduled to continue through the summer of 2020. Please refer to the attached map and visit the project website for more detailed information about this project. To request hard copies of the monthly information bulletins please call the project hotline at (808) 219-7009.

UPDATES FOR ONGOING ACTIVITIES

- Relocation of underground utilities began in April and is scheduled to continue through June.

JUNE FORECAST OF ACTIVITIES

The activities listed below are scheduled to continue and/or begin in June. The approximate locations and work hours for these activities are shown on the attached map.

- Relocation of underground utilities.
- Preparation for construction of Microtunneling shafts.

TRAFFIC UPDATES FOR JUNE

Daytime construction work will require relatively isolated lane closures at several locations on Waiakamilo Rd. and Houghtailing St. A detour will be involved with work at the intersection of Nimitz Hwy. Access to driveways will be maintained via right turn motions from the travel lanes fronting them; however, access to some driveways via left turn motions may not be available due to the presence of work area closures.

Night work is expected to be performed intermittently during work near the intersection of Nimitz Hwy. See below for associated traffic detours.

- **Traffic Detour for Work near Nimitz Hwy**
6:00 pm to 2:00 am (7 days per week)

Through movements out of Piers 39 and 40 towards Waiakamilo Rd. will be prohibited and detoured via Nimitz Hwy. Left and right turn movements out of Piers 39 and 40 towards Nimitz Hwy. will be maintained.

Left turn movements from Nimitz Hwy. towards Waiakamilo Rd. will be prohibited and detoured via u-turn on Nimitz Hwy near Pier 38.

CONTACT INFORMATION

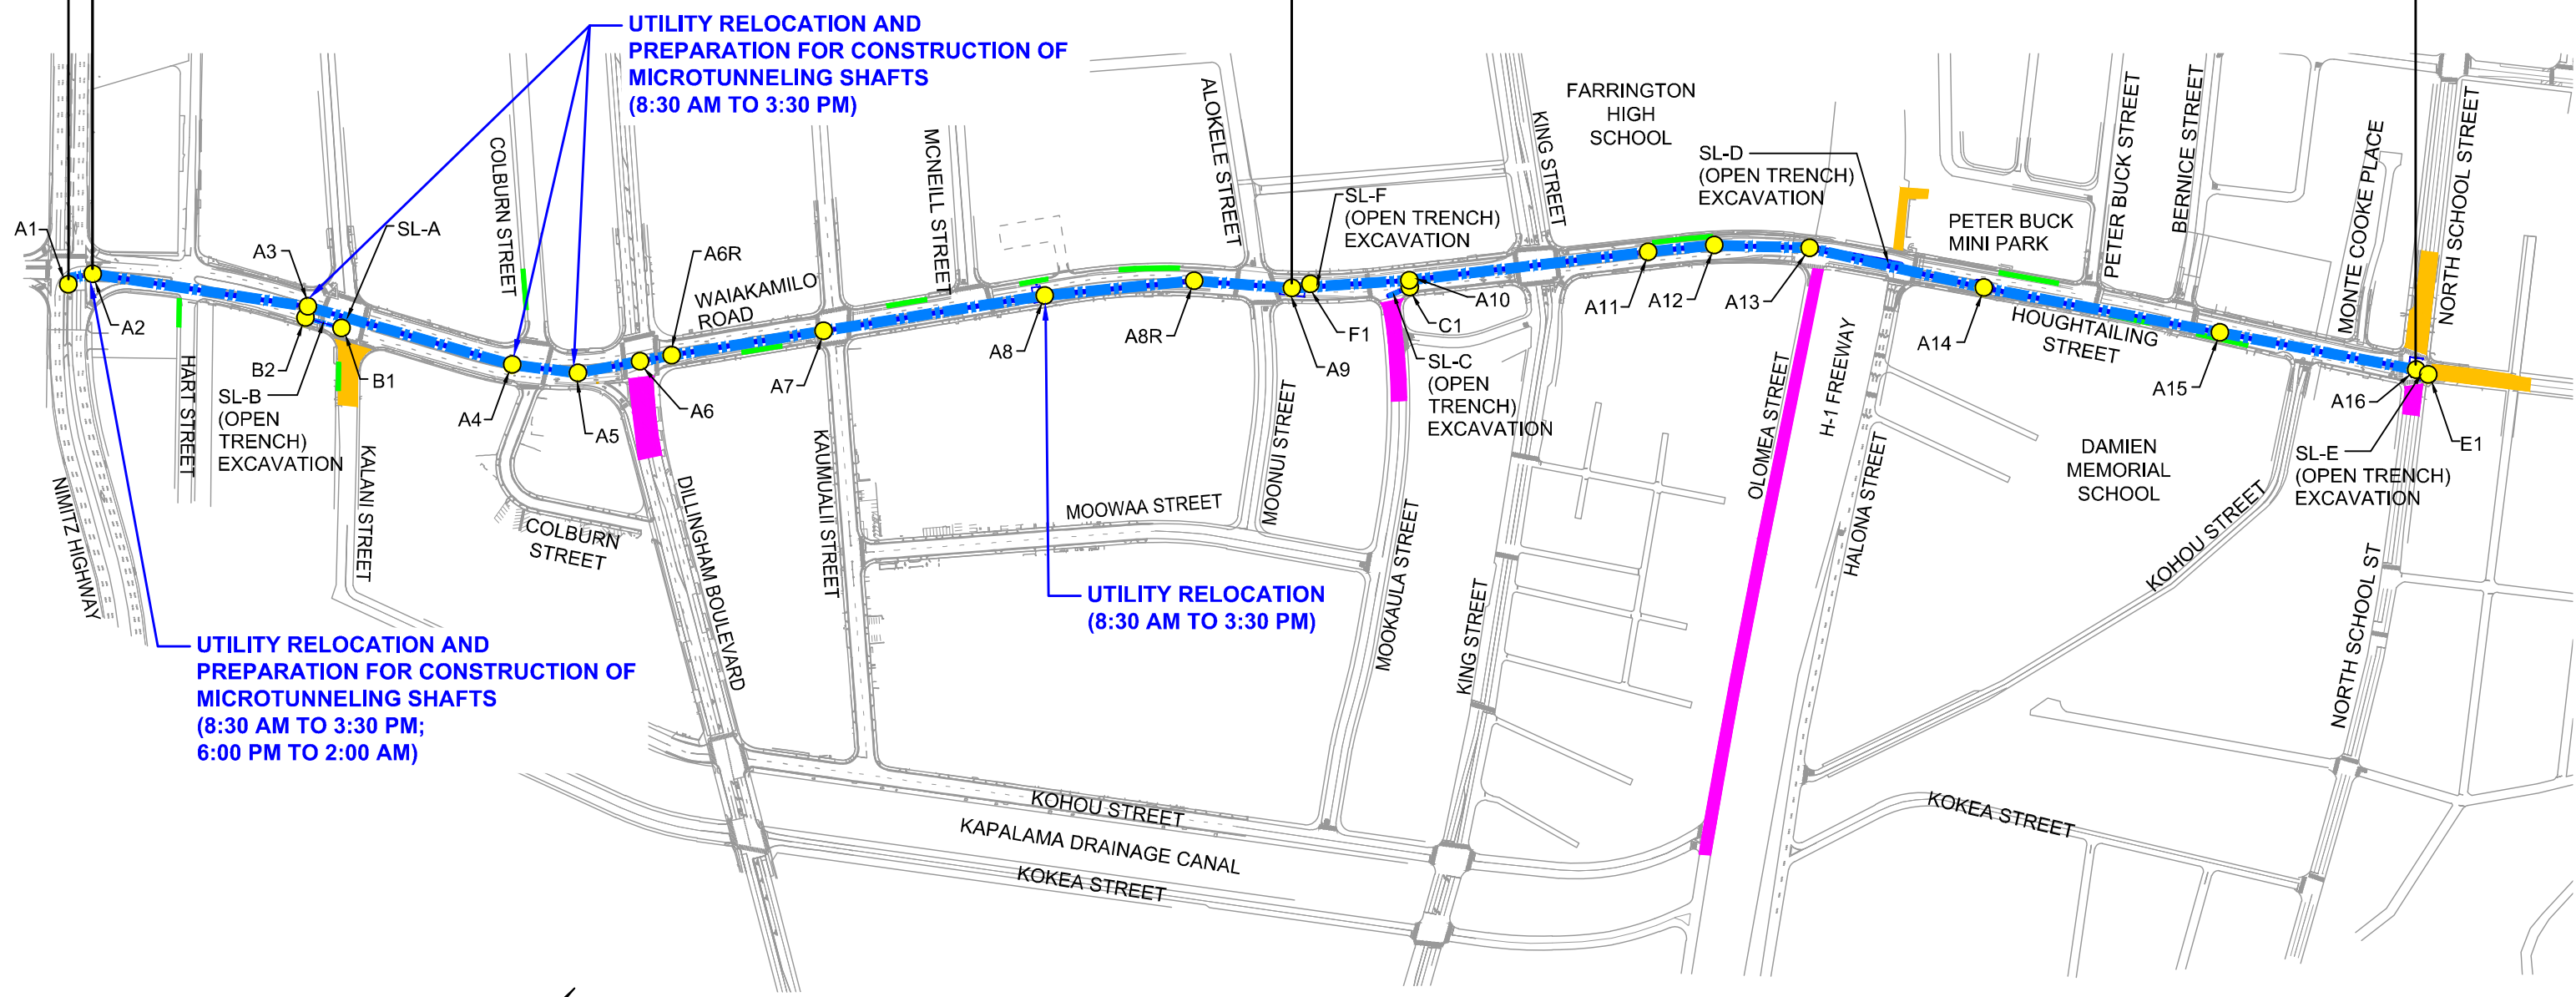

For more information about this project, please visit the project website: www.awasewer.org or call the project hotline at (808) 219-7009.
