

**PUBLIC INFORMATION BULLETIN NO. 22**  
**JULY 2020**  
**AWA STREET WASTEWATER PUMP STATION**  
**FORCE MAIN AND SEWER SYSTEM IMPROVEMENTS**  
**WAIAKAMILO ROAD TRUNK SEWER**  
**JOB NO. W5-16**

**GENERAL INFORMATION**

This bulletin is published to the project website ([www.awasewer.org](http://www.awasewer.org)) monthly to keep the community informed about construction work associated with the Awa Street Wastewater Pump Station Force Main and Sewer Improvements – Waiakamilo Road Trunk Sewer Project. The contract Notice-To-Proceed was issued to FV Coluccio Construction Company (FVCCC) on June 27, 2018. Heavy construction is scheduled to continue through the Summer of 2021. Please refer to the attached map and visit the project website for more detailed information about this project. To request hard copies of the monthly information bulletins please call the project hotline at (808) 219-7009.

**UPDATES FOR ONGOING ACTIVITIES**

FVCCC performed the following work in June:

- Pre-drilling and jet grouting for construction of microtunneling shafts and pipe and manhole excavations.
- Construction of microtunneling and manhole installation shafts.
- Installation of new sewer lines by open trenching, including trench restoration.
- Installation of manholes and restoration of shafts.
- Finishing of the interiors of newly installed manholes.

**JULY FORECAST OF ACTIVITIES**

The activities listed below are scheduled to continue and/or begin in July. The approximate locations and work hours for these activities are shown on the attached map.

- Relocation of underground and overhead utilities.
- Pre-excavation of underground obstructions.
- Pre-drilling and jet grouting for construction of microtunneling shafts.
- Construction of microtunneling and manhole installation shafts, including installation of sheetpiles.

- Installation of new sewer lines and manholes by open trenching, including trench restoration.
- Finishing of the interiors of newly installed manholes.
- Restoration of curbs and pavement.

**TRAFFIC UPDATES FOR JULY**

Construction work will require relatively isolated lane closures at several locations on Waiakamilo Rd., Houghtailing St., Dillingham Blvd., and/or Nimitz Hwy. Access to driveways will be maintained via right turn motions from the travel lanes fronting them; however, access to some driveways via left turn motions may not be available due to the presence of work area closures.

Along Waiakamilo Rd., continuous daytime and nighttime work is anticipated to occur. On Nimitz Hwy., near the intersection with Waiakamilo Rd., work is anticipated to occur during nighttime hours on the weekdays and all day on the weekends.

Detours may be involved with work located within or near the intersections of Nimitz Hwy. and Dillingham Blvd. See below for associated traffic detours.

- **Traffic Detour for Work near Nimitz Hwy.**  
**6:00 pm to 2:00 am, 7 days per week**  
Through and left turn movements out of Piers 39 and 40 towards Waiakamilo Rd. and Nimitz Hwy. may be prohibited and detoured via right turn and U-turn on Nimitz Hwy.

Left turn movements from Waiakamilo Rd. towards Nimitz Hwy. eastbound; and through movements from Waiakamilo Rd. to Piers 39 and 40 may be prohibited and detoured via Kalani St. and Kalihi St.

Left turn movements from Nimitz Hwy. towards Waiakamilo Rd. and Piers 39 and 40 may be prohibited and detoured via U-turns on Nimitz Hwy near Pier 38 and Libby Street, respectively.

- **Traffic Detour for Work at Dillingham Blvd.**

**24-hours Continuous, 7 days a week**

Some left turn movements and some through movements at the Dillingham Blvd. and Waiakamilo Rd. intersection may be prohibited due to work within the middle of the intersection.

Drivers affected by the closures will be detoured via Kohou St., Kaumualii St., McNeill St., and/or Kalani St.

- **Traffic Detour for Work at Kaumualii St.**

**24-hours Continuous, 7 days a week**

Left turns from Waiakamilo Rd in the mauka bound direction onto Kaumualii St. in the ewa bound direction may be restricted.

Drivers affected by this closure will be detoured via McNeill St.

## **CONTACT INFORMATION**
