

**PUBLIC INFORMATION BULLETIN NO. 44  
JULY – AUGUST 2022  
AWA STREET WASTEWATER PUMP STATION  
FORCE MAIN AND SEWER SYSTEM IMPROVEMENTS  
WAIAKAMILO ROAD TRUNK SEWER  
JOB NO. W5-16**

**GENERAL INFORMATION**

This bulletin is published to the project website ([www.awasewer.org](http://www.awasewer.org)) monthly to keep the community informed about construction work associated with the Awa Street Wastewater Pump Station Force Main and Sewer Improvements – Waiakamilo Road Trunk Sewer Project. The contract Notice-To-Proceed was issued to Frank V. Coluccio Construction Company (FVCCC) on June 27, 2018. Heavy construction has been completed and minor restorative work is taking place through the Summer 2022. Please refer to the attached map and visit the project website for more detailed information about this project. To request hard copies of the monthly information bulletins please call the project hotline at (808) 219-7009.

**UPDATES FOR ONGOING ACTIVITIES**

FVCCC performed the following work in June:

- Installation of finishes within new sewer manholes.
- Restoration of pavement.

**JULY – AUGUST FORECAST OF ACTIVITIES**

The activities listed below are scheduled to continue or begin in July and/or August. The approximate locations and work hours for these activities are shown on the attached map.

- Restoration of pavement.
- Minor corrective work.

**TRAFFIC UPDATES FOR JULY - AUGUST**

Construction work will require relatively isolated lane closures at several locations on Houghtailing St. and/or School St. Access to driveways will be maintained via right turn motions from the travel lanes fronting them; however, access to some driveways via left turn motions may not be available due to the presence of work area closures.

Along Houghtailing St. and School St., only daytime work will occur.

**CONTACT INFORMATION**

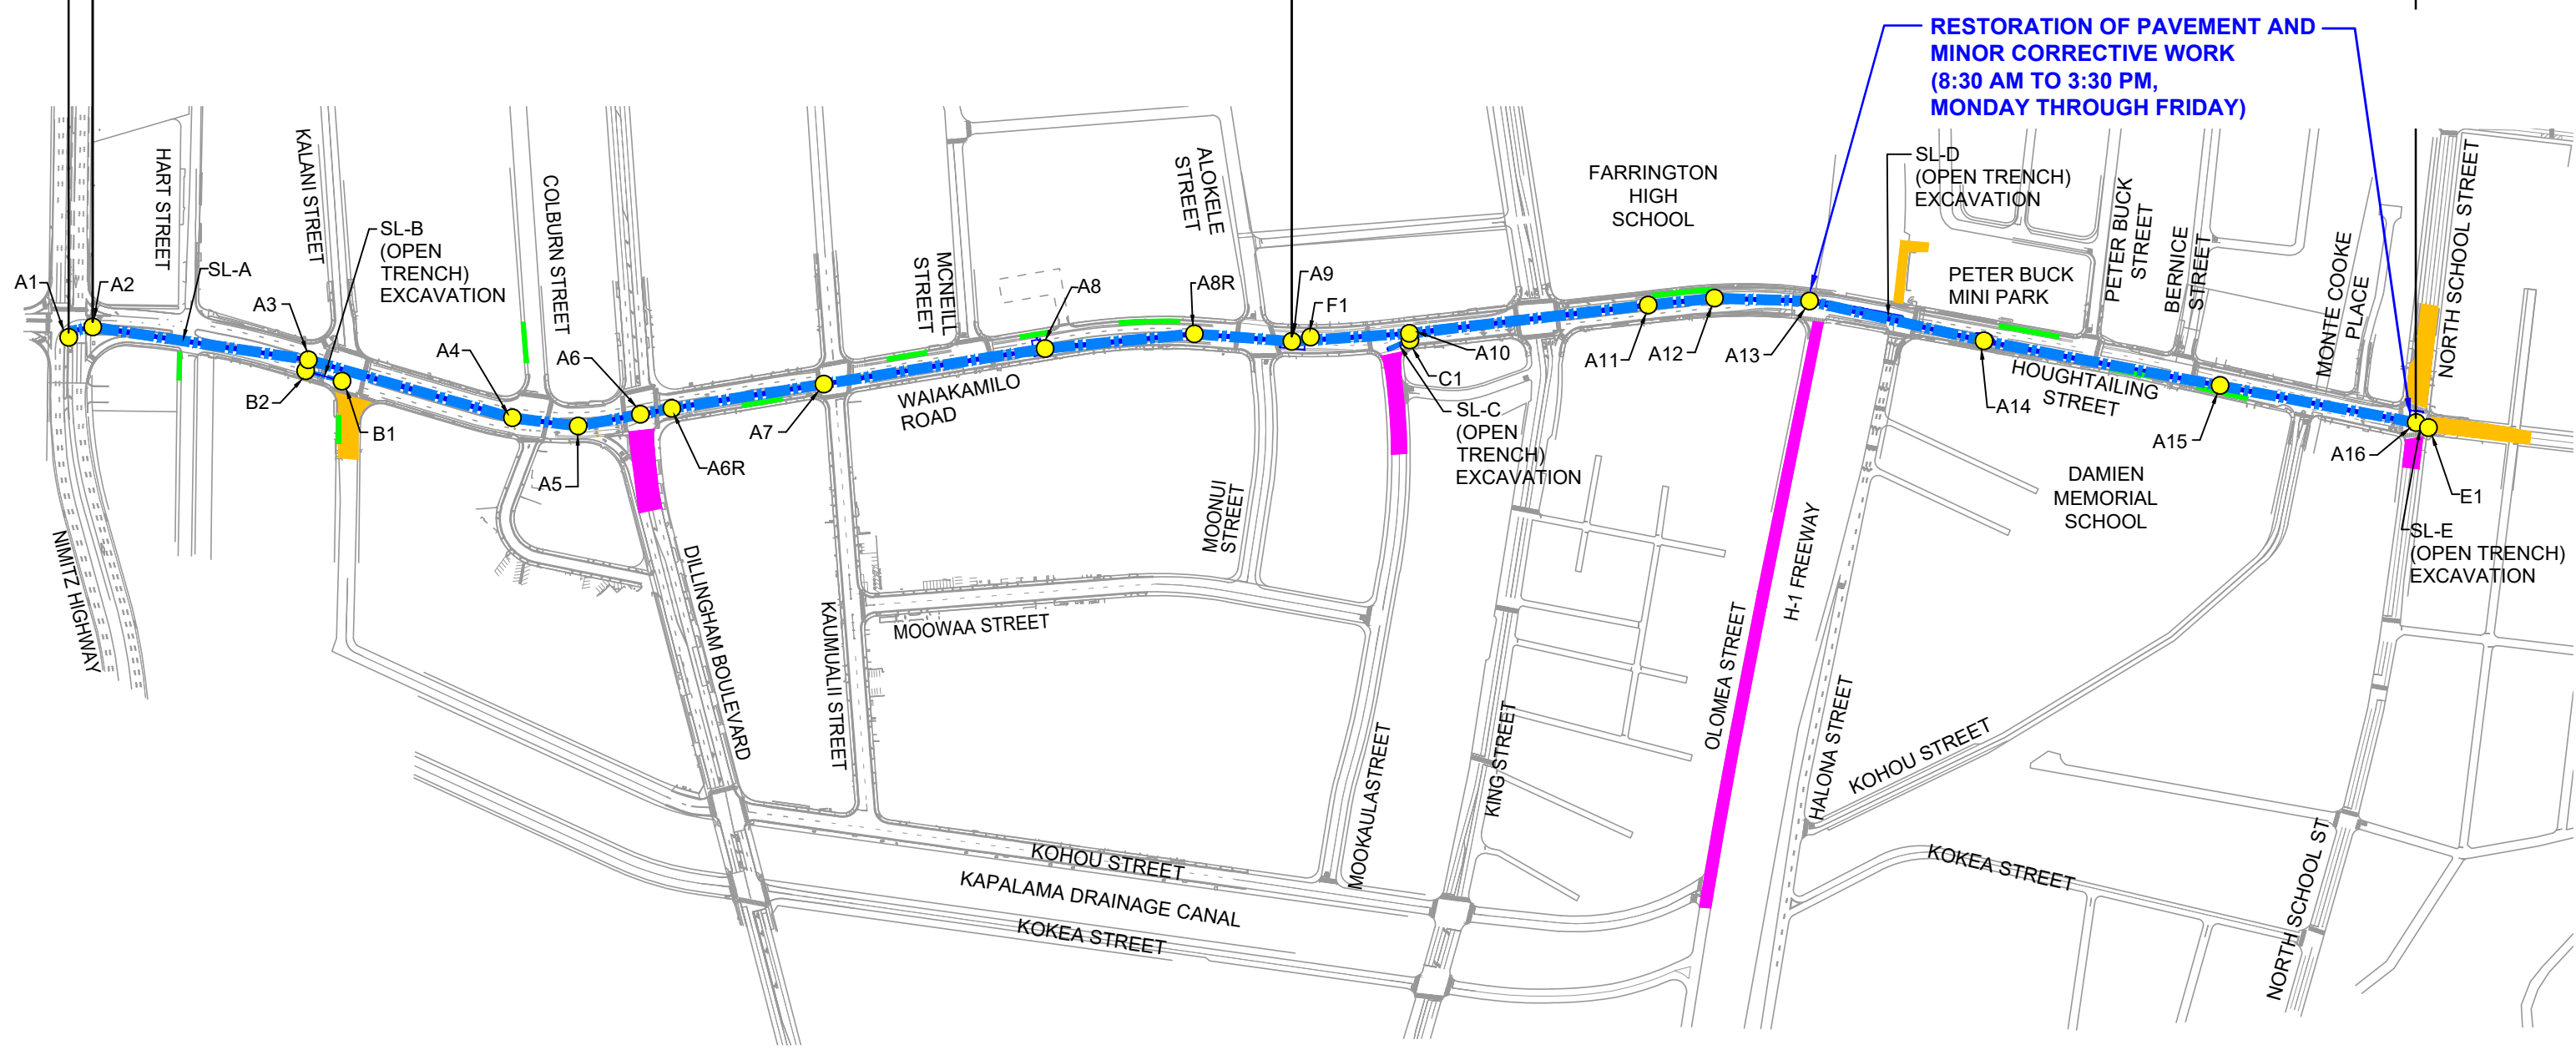

For more information about this project, please visit the project website: [www.awasewer.org](http://www.awasewer.org) or call the project hotline at (808) 219-7009.
