

**PUBLIC INFORMATION BULLETIN NO. 45
SEPTEMBER 2022
AWA STREET WASTEWATER PUMP STATION
FORCE MAIN AND SEWER SYSTEM IMPROVEMENTS
WAIAKAMILO ROAD TRUNK SEWER
JOB NO. W5-16**

GENERAL INFORMATION

This bulletin is published to the project website (www.awasewer.org) monthly to keep the community informed about construction work associated with the Awa Street Wastewater Pump Station Force Main and Sewer Improvements – Waiakamilo Road Trunk Sewer Project. The contract Notice-To-Proceed was issued to Frank V. Coluccio Construction Company (FVCCC) on June 27, 2018. Heavy construction has been completed and minor restorative work is taking place through the Fall of 2022. Please refer to the attached map and visit the project website for more detailed information about this project. To request hard copies of the monthly information bulletins please call the project hotline at (808) 219-7009.

UPDATES FOR ONGOING ACTIVITIES

FVCCC performed the following work in August:

- Installation of manhole accessories.

SEPTEMBER FORECAST OF ACTIVITIES

The activities listed below may take place in September. The approximate locations and work hours for these activities are shown on the attached map.

- Restoration of pavement striping.

TRAFFIC UPDATES FOR SEPTEMBER

Restorative work will require relatively isolated lane closures at several locations on Houghtailing St., Dillingham Blvd., and/or School St. Access to driveways will be maintained via right turn motions from the travel lanes fronting them; however, access to some driveways via left turn motions may not be available due to the presence of work area closures.

Along Houghtailing St., Dillingham Blvd., and School St., only daytime work will occur.

CONTACT INFORMATION

For more information about this project, please visit the project website: www.awasewer.org or call the project hotline at (808) 219-7009.
